## LIVE IN YOUR WORLD, ENJOY OURS

Enter the world of Cavus for impressive sound and seamless TV and soundbar integration with our exclusive range of solutions. Whether it's on the floor, mounted on the wall, or placed on furniture, everything is easy and quick to install.

With our solutions, the TV becomes turnable, and the soundbar turns with the TV. Our solutions are unique because you can leave space between the TV and soundbar for the best Dolby Atmos experience, and it still looks fantastic. We have a solution available for every brand and type of soundbar and TV.

We offer a wide range of floor stands, TV feet, and wall mounts specifically designed for both design and functionality:

- Available in black or stainless steel
- Perfectly fit for any interior
- Easy to install
- Soundbar and TV form a seamless unit
- Turnable in any wanted direction
- Optimal viewing and listening experience
