

C705PA MKII

2 Way Active Bookshelf Speaker

Key Features

The C705PA MKII redefines style and sophistication with its fashion-forward color options and premium finish, making it a standout addition to any modern space. Beyond its striking appearance, this active powered monitor speaker delivers superior sound quality, blending elegance with high-performance audio. Its sleek, compact design is complemented by versatile connectivity, ensuring seamless integration into desk setups, TV entertainment, or gaming systems.

Versatile Connectivity & Lossless Capacities

Bluetooth®
HDMI TV ARC
USB Audio
Jack 3.5 mm

Aluminum Phase Plug

A hallmark of Jamo's design, smoother frequency response and better power handling in the upper range of the driver's response.

ADW (Anti-Diffraction WaveGuide) & TDR (Tweeter Distortion Reduction)

Refined trebles and flexible positioning in the room.

HCCC (Hybrid Composition Conical Cone) & LDS (Long Displacement Surround)

Controlled damping and linearity, resulting in lower distortion and better transient response.
