

Solar String 44' Color

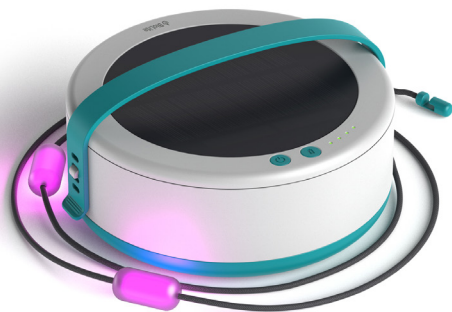

NEW IN 2025

SSB0102

Portable, colorful, and always ready to hang

With 6 color modes to choose from, a color-cycle mode that seamlessly changes from one color to the next, Solar String 44' Color transforms any space at the click of a button for up to 25 hours on a single charge. Featuring a 44 ft nylon-braided cord, 20 shatterproof bulbs, and a detachable 4,000 mAh rechargeable battery, these solar string lights provide illumination and ambiance to any outdoor space. Plus, with its completely detachable unit, you can remove and recharge the unit, all while leaving your string setup intact.

-  Detachable 4,000 mAh rechargeable battery
-  44 ft nylon-braided string with 20 durable bulbs
-  Mobile charging capabilities
-  Lasts up to 25 hours on a single charge
