## Mount Cisco Sparkboard 55 inch

030.1030 Mount - Business line for Cisco Sparkboard 55 inch

Because of the unique mounting pattern and the M12x15 fixation on wall brackets and stands that the Cisco Sparkboard series has, we have developed this custom mount for fixation on our Business and VC stands 062.2860/61/70/71.
The Sparkboard is easy to align and fix on the horizontal profile. The color of the mount is the exact same white of the monitor.
