

Mounting kit incl. white boards

152.0110-LS Mounting kit incl. white boards of lacquered steel for touch display 70 inch

This whiteboard kit is made of lacquered steel on both sides enclosed by an aluminium frame. These whiteboards are custom-made for your touch display or whiteboard model. Compared to enamel steel, lacquered steel offers usage stains of markers easily. A proper cleaning is strongly recommended. SmartMetals offers 1 year warranty on the surface of a lacquered steel whiteboard. This mounting kit creates a fixed or an in height adjustable solution for optimal use of your presentation tool.

Mounting kit incl. white boards
